1.3 Amendments of the Terms and Conditions

Real Estate funds managed by Blackstone has through Vega Holdco S. à r.l. (“Vega”) entered into a share and purchase agreement with the Issuer for the sale by the Issuer and the purchase by Vega of 75% of the Issuer's shareholding in D. Carnegie for SEK 1.18 billion in cash. Vega will also receive a power of attorney to vote on behalf of the Issuer at shareholders’ meetings in D. Carnegie, and a right of first offer for the remaining shares in D. Carnegie owned by the Issuer.

Vega has also entered into two additional share purchase agreements for the acquisition of (i) 45% of Frasdale Int. B.V's shareholding in D. Carnegie f (representing approx. 5% of the voting rights and 4% of the share capital in D. Carnegie) and receive a power of attorney to vote on behalf of, and a right of first offer for remaining 25% of Frasdale's shareholding and (ii) 100% of Svensk Bolig Holding AB's shareholding in D. Carnegie (representing approx. 10% of the voting rights and 13% of the share capital in the D. Carnegie).

All of these acquisitions and contributions are made at the same price, and are conditional on, among other things, regulatory approval being granted and the Issuer obtaining the consent of its Noteholders to dispose of its shares in D. Carnegie. If the conditions are satisfied (or, in certain circumstances, waived) Vega will be controlling a total of 53% of the voting rights in D. Carnegie. The transactions will, if completed, eventually result in Vega passing the threshold for a mandatory offer obligation.

Use of proceeds

Subject to the successful completion of the above mentioned transactions, the Issuer will have approx. SEK 1.18 billion in cash on its balance sheet, as compared with SEK 50.5 million as per 31 March 2016. The Issuer intends to use approx. SEK 370 million to amortise part of its existing secured and unsecured debt. In addition, the Issuer proposes subject to the successful completion of the transaction to carry out a partial redemption of its Notes of approx. SEK 100 million (see details below). These measures would lower the Issuer’s interest-bearing debt to approx. SEK 1.5 billion, compared with approx. SEK 1.97 billion as per 31 March 2016, which including cash amounts to a net interest-bearing debt of approx. SEK 790 million. The Issuer believes that this will significantly strengthen its financial position and empower the Issuer with financial flexibility going forward. As the Issuer remains an active participant and consolidator in

the Swedish real estate market, the Issuer sees ample investment opportunities going forward and is currently involved in negotiations for additional property acquisitions in the Stockholm Region with an aggregate value of approx. SEK 1 billion. Apart from its real estate portfolio, the Issuer is looking to further develop its profitable investments within Kvalitena Industries to provide diversification in its portfolio.

The Notes

Although the shares in D. Carnegie are not pledged as security for the Notes, the Terms and Conditions limit the possibility for the Issuer to decrease its consolidated holdings in Stendörren and D. Carnegie AB below 75% of the initial holdings (29,244,151 shares), corresponding to 21,933,113 shares.

The Issuer is therefore proposing amendments of the Terms and Conditions, enabling the Issuer to divest its D Carnegie shares to Vega.

As the Terms and Conditions include a dividend cap of the lower of 50% of previous fiscal year's net profit and SEK 30 million, the Issuer will retain a significant cash amount of approx. SEK 1.18 billion on its balance sheet after the divestment of 75 % of the D. Carnegie shares. Therefore, the Issuer proposes to amend the Terms and Conditions to allow for a one-time amortization of the Notes of SEK 100 million at a premium in line with the first call premium of the Terms and Conditions, i.e. 103% of the nominal amount. The Issuer also proposes to extend the time when at the latest its audited consolidated financial statements for each year shall be made available to the Noteholders from four months to five months. The background for this request is to allow the Issuer sufficient time to finalize the statements.

2. Amendments to the Terms and Conditions

2.1 Proposal for amendment

The Issuer hereby proposes that the Noteholders approve to amend the Terms and Conditions in accordance with the wording below:

Section 12.1.1 ~~At the date hereof~~ *As at 18 July 2016, the Issuer owns in total 10,703,824 6,148,824 shares in Stendörren and in total 18,540,327 shares in D. Carnegie totaling in both companies 29,244,151 shares (its "Holdings") and following the transfer of the shares in D. Carnegie to Vega Holdco S. à r.l. 3,939,134 shares in D. Carnegie. During the term of the Notes* ~~From such date and for the remaining term of the Notes the Issuer shall not enter into a single transaction or series of transactions (whether related or not) and whether voluntary or involuntary to sell, transfer or otherwise dispose of more than 7,311,038 shares (constituting 25 %) of its Holdings, adjusted to reflect any reverse share split or share split, new issue of shares with pre-emption rights for the shareholders to subscribe for new shares in exchange for cash payment or payment by way of set-off, bonus issues of shares and reduction in the share capital with repayment to the shareholders).~~ *its remaining shares in D. Carnegie and in Stendörren without redeeming the Notes in full. The Issuer further undertakes during the remaining term of the Notes not to create any security interest over its shares in D. Carnegie, except for the security to be granted to Vega Holdco S. à r.l. to secure Issuer's obligations (i) not to sell its 3,939,134 shares in D. Carnegie without first having offered Vega Holdco S. à r.l. to acquire the shares and (ii) to issue a power of attorney to Vega Holdco S. à r.l. to vote for the shares at all shareholders' meetings in D. Carnegie.*

Section 11.1.1 (a) as soon as the same become available, but in any event within ~~four~~ **four** ~~(4)~~ *five (5)* months after the end of each financial year its audited consolidated financial statements for that financial year

Introduction of partial amortization

New Section 10.4 *The Issuer may on one occasion and no later than 30 September 2016 repay up to SEK 100,000,000 of the total Nominal Amount of the Notes, in which case all outstanding Notes shall be partially repaid by way of reducing the Nominal Amount of each Note pro rata. The repayment per Note shall equal the repaid percentage of the Nominal Amount (rounded down to the nearest SEK 1.00) plus (i) a premium on the repaid amount of 3.00 %, and (ii) accrued but unpaid interest on the repaid amount. The repayment shall be made by the Issuer giving not less than fifteen (15) Business Days' notice to the Noteholders and the Agent. Any such notice is irrevocable but may, at the Issuers discretion, contain one or more conditions precedent.*

3. Conditions

3.1 Conditions Precedent

The Issuer acknowledges that the consent by the Noteholders to the Request is subject to the following conditions precedent:

1. That the contemplated actions, including payment of consent fee, partial amortization, the contemplated transactions and actions necessary to carry out any other action described herein, have been duly approved by the board of directors and signed by authorized signatory.
2. A duly signed certificate from the Issuer confirming that the consent to the Request, the payment of the Consent Fee and the payment of the partial amortization, will not result in a default under any outstanding debt.

3.2 Conditions Subsequent

1. That the Fee has been paid in accordance with Clause 5 below and that this has been confirmed to the Agent.
2. That subject to the successful completion of the sale by the Issuer of shares in D. Carnegie to Vega on or prior to 15 September 2016, the Issuer give notice to the Noteholders and the Agent that it will repay SEK 100,000,000 of the total Nominal Amount of the Notes.

4. Consent

We kindly ask the Noteholders to confirm that the Noteholders, subject to Clause 3, agree to the proposal for amendments of the Terms and Conditions described in Clause 2.1 above (the "**Request**").

5. Consent Fee

As a compensation to the Noteholders, the Issuer offers the Noteholders a one-time consent fee of 0,50 % (flat) of the face value of the respective Noteholders' holdings of the Notes (the "Fee"). The Fee will be payable to the Noteholders within 2 Business Days (or such longer period as may be required for technical reasons by CSD) from the expiration of the voting period in the Written Procedure (with record date at end-of-business the date of the expiration of the voting period in the Written Procedure), provided that a requisite majority of the Noteholders have approved the Request.

6. Non-reliance

The Request are presented to the Noteholders by the Issuer, without any evaluation, advice or recommendations from the Agent whatsoever. No independent advisor has been appointed to review and/or analyse the Request (and its effects) from the Noteholders' perspective. The Noteholders are recommended to seek legal advice to independently evaluate whether the requests from the Issuer (and its effects) are acceptable or not.

7. Written Procedure

The following instructions need to be adhered to under the Written Procedure.

7.1 Final date to participate in the Written Procedure

The Agent must have received the votes by mail, courier or email to the address indicated below no later than 17:00 CEST, 16 August 2016. Votes received thereafter may be disregarded.

7.2 Decision procedure

The Agent will, in its sole discretion, determine if received replies are eligible to participate under the Written Procedure as valid votes.

When a requisite majority of consents of the total Adjusted Nominal Amount have been received by the Agent, the Request shall be deemed to be adopted, even if the time period for replies in the Written Procedure has not yet expired.

Information about the decision taken under the Written Procedure will: i) be sent by notice to the Noteholders and ii) be published on the websites of a) the Issuer and b) the Agent.

A matter duly adopted under the Written Procedure will be binding for all Noteholders, irrespective of them responding in the Written Procedure or not.

7.3 Voting rights and authorisation

Anyone who wishes to participate in the Written Procedure must on the Record Date in the debt register:

- (a) be registered as a direct registered owner of a Securities Account; or
- (b) be registered as authorised nominee in a Securities Account, with respect to one or several Notes.

7.4 Notes registered with a nominee

If you are not registered as a direct registered owner, but your Notes are held through a registered authorised nominee or another intermediary, you may have two different options to influence the voting for the Notes.

1. You can ask the authorised nominee or other intermediary that holds the Notes on your behalf to vote in its own name as instructed by you.
2. You can obtain a Power of Attorney (Schedule 2) from the authorised nominee or other intermediary and send in your own Voting Form based on the authorisation. If you hold your Notes through several intermediaries, you need to obtain authorisation directly from the intermediary that is registered in the debt register as bondholder of the Securities Account, or from each intermediary in the chain of bondholders, starting with the intermediary that is registered in the debt register as a Noteholder of the Securities Account as authorised nominee or direct registered owner.

Whether one or both of these options are available to you depends on the agreement between you and the authorised nominee or other intermediary that holds the Notes on your behalf (and the agreement between the intermediaries, if there are more than one).

The Agent recommends that you contact the securities firm that holds the Notes on your behalf for assistance, if you wish to participate in the Written Procedure and do not know how your Notes are registered or need authorisation or other assistance to participate.

Notes owned by a Group Company or an Affiliate does not entitle to any voting rights.

7.5 Quorum

To approve the Request, Noteholders representing at least fifty (50) per cent of the Adjusted Nominal Amount must reply to the Request under the Written Procedure in order to form a quorum.

If a quorum does not exist, the Agent shall, in accordance with the Terms and Conditions, initiate a second Written Procedure, provided that the relevant proposal has not been withdrawn by the Issuer. No quorum requirement will apply to such second Written Procedure.

7.6 Majority

Two thirds (2/3) of the Adjusted Nominal Amount for which Noteholders reply under the Written Procedure must consent to the Request.

7.7 Address for sending replies
